

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. In other words, low-volume and primarily residential customers would bear the same universal service fund burden as a high-volume residential or business customers. This is unfair!

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair! WHO CAN AFFORD ANYMORE TAX'S, WHEN THE GOV. SENDS OUT OUR MONEY TO OTHER COUNTRIES, AND THEN TAX'S THE HELL OUT OF US.. IS THAT FAIR?? HELL NO.... I LIVE ON SOCIAL SECURITY DISABILITY INCOME, 700.00 A MONTH, THAT BARELY COVERS THE TOILET PAPER I HAVE TO BUY.. I ONLY USE MY PHONE IN CASE I WERE TO BREAK DOWN, AND CAN'T WALK ANYWHERE TO GET HELP, AND LIVE IN A VERY COLD REGION OF THE U.S. NORTHERN MICHIGAN. THIS IS B.S. THAT ALL WE DO IS GET TAXED FOR EVERYTHING, WHAT IS WRONG WITH THIS WORLD????? YEARS AGO IT WASN'T LIKE THIS WHILE I WAS GROWING UP.. 40 SOME YRS AGO.. WHAT WENT WRONG? TAX THE PEOPLE THAT MAKE OVER A HUNDRED THOUSAND DOLLARS A YR, NOT THE LOW INCOME PEOPLE..
